We are a small, but mighty nation, with a proud and peerless heritage. And for as much as we have given and continue to contribute to the world, we are a people who also warmly embrace the many splendid offerings that travellers and guests from near and far have brought to our beloved lands.

So in celebrating the pioneers, honouring the adventurers, cheering on the trailblazers, the risk-takers, the history makers and the nation changers, we invite you to come and feast from our tables in the Campaign Room Bistro. Formed from the original trophy room of the House, it is a worthy setting indeed for hungry travellers and friends to reunite and make merry once more, by the warmth of our own fireside.
