

...Chestnuts Roasting on an Open Fire...

FESTIVE AFTERNOON TEA

We bring you glad tidings of great joy!

Throughout December we will be serving fabulously Festive Afternoon Teas. A delightful array of festive savouries, sweet treats and homemade scones served with naughty amounts of cream, will be accompanied by a range of artisan coffees and teas.

And for that little bit of extra indulgence, why not spoil yourself by adding a deliciously chilled glass of Prosecco or Champagne.

Go on.....it's Christmas!
